From the smallest children's size to the largest adult, Fruit makes garments for everyone. There are different cuts for Men, and while our Kids styles can be worn as unisex, many also feature a specific girls fit too.

All our measurements are based on actual “to fit body” sizes, and are not the garment measurements. For example, a Fruit Polo with a chest to-fit size of 92-97cm/36-38” will fit someone with those chest measurements. Similarly, Leggings with a to-fit-waist measurement of 86cm/34” is designed for somebody with those body waist measurements.

And the great news? Whichever fits and sizes you choose – both kids and adults - colours match across the collection. So for times when that's important to your customers, everyone can wear the exact same shade.
